Conference Aston offers free, high-speed Wi-Fi for conference guests.

To access the internet:

1. Select the _**ConfAston**–**Cloud** network on your device.

2. When prompted, enter the password: **Love.Learn.Live.**
   The password is case-sensitive and must include the full stops.

3. Open your web browser (Chrome, Safari, Firefox, Explorer).

4. When The Cloud landing page appears, click the **Go** button.

   a) New users: Click **Create Account** and follow the on-screen instructions.

   b) Existing Cloud account holders: Log in as normal using your email address and password.

When the Wi-Fi session is established, a **Welcome to The Cloud** screen will appear.

Conference sessions

If you're bringing your laptop or tablet to conference sessions, please make sure your batteries are fully charged and that you have any required software pre-loaded.

If you will be taking notes on your device, please adjust the vibrate/sound on keypress settings to avoid disturbing other delegates.
